

Absolute E-Z Up Transport Dolly™ ACCESSORY

BROCHURE

THE PRACTICAL SOLUTION... & VALUE TRANSPORT MORE INVENTORY IN A SINGLE TRIP!

LOSING TOO MUCH TIME ON THE JOB?

Whether it's from picking warehouse stock, transporting parts to shipping, or delivering components to workstations, lost time is lost business. Now you can save time and increase profits with the **Transport Dolly™**.

With a **440 lb.** tow capacity, the **Transport Dolly™** makes it possible to move more inventory, increasing productivity. At just 30" wide, an overall length of 68-3/4", and with a ground clearance of 8", the Transport Dolly can be easily maneuvered around nearly any jobsite.

TRANSPORT NEARLY TWICE THE LOAD CAPACITY IN ONE TRIP

The **Transport Dolly™** is compatible with the **AEUP ISP-11™** industrial stock picker. Combined with the ISP-11's... (Powered Material Tray- **198 lb.** capacity) and the (Cargo Transport Hood- **249 lb.** capacity), operators can now move **890 lbs.** of material or inventory in one trip.

ISP-11 WITH TRANSPORT DOLLY

*Once again,
Absolute E-Z Up® leads the way
with safe, practical and
innovative solution that reduces
both time and labor, WHILE
increasing productivity returns.*
